

**2024-25 Study Abroad Applications:
University of Georgia (Athens, GA) and Wayne State University (Detroit, MI)
Deadline: December 4, 2023**

If you are interested in studying in the US at either the University of Georgia or Wayne State University in the upcoming academic year 2024-25, please submit your application by **December 4** to Ms. Renate Krakowczyk: renate.krakowczyk@lmu.de with "Study Abroad 2024-25 UGA/WSU" in the subject line.

The [University of Georgia](#) in Athens, GA (BA and MA students, WS 2024)

[Wayne State University](#) in Detroit, MI (BA and MA students, WS 2024)

The application must include the following in a single PDF file:

- Cover page, including information regarding your course of study (see attachment)
- Letter of motivation (one page, 1.5 spacing)
- CV (1–2 pages)
- The names of two references and their email addresses (at least one from the Amerika-Institut program). Please notify your references of your application. Please note that if you are applying to other universities through the International Office or the Erasmus exchange, a letter of reference may be required.
- A copy of your transcript

Students may apply for both universities in one application, indicating their first choice in their letter of motivation.

Please note: Tuition **only** will be covered through the exchange agreements.

Students must make their own payment arrangements for accommodation and any other expenses. Please see the 2023-24 information sheets for UGA and WSU. Please continue to check the host university and LMU International Office websites for updated information.

A room in campus housing is not guaranteed through the host institutions.

To cover expenses, students who have an exchange place may apply for ProsaLMU (www.lmu.de/international/prosa) and additional sources of funding (e.g., Auslandsbafög, www.mystipendium.de, www.stiftungen.org). For information regarding estimated costs, requirements, deadlines, and scholarships, please check the International Office website.

For further questions regarding the initial application process please contact:
